**Program Administration Scale (PAS)**

Measuring Early Childhood Leadership and Management

Teri N. Talan and Paula Jorde Bloom

Designed to reliably measure the leadership and management practices of center-based early childhood organizations, PAS is the only instrument of its kind to

focus exclusively on organization-wide administrative issues. Using a 7-point rating scale (inadequate to excellent), this easy-to-use instrument looks at 25 items grouped in 10 categories that include: human resources development, personnel cost and allocation, center operations, child assessment, fiscal management, program planning and evaluation, family partnerships, marketing and public relations, technology, and staff qualifications.

80 pp./PB, \$20.95/4528-1 large format

**Business Administration Scale for Family Child Care (BAS)**

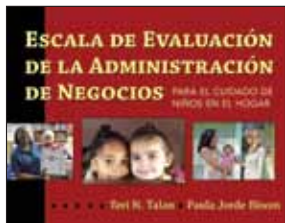

Teri N. Talan and Paula Jorde Bloom

"This valuable book should be used by any organization interested in increasing the business skills of family child care providers in their community."

—Tom Copeland, consultant to the National Association for Family Child Care

"With the new Spanish BAS, you will be able to fulfill your dream as a family child care business owner, better communicate with families, and expand your professional experience."

—Luis A. Hernandez, Training and Technical Assistance Specialist in Early Childhood Education

The BAS is designed to complement the widely used *Family Child Care Environment Rating Scale-Revised*. When used together, they provide a comprehensive picture of the quality of the family child care learning environment and the business practices that support the program. Using a 7-point rating scale (inadequate to excellent), this easy-to-use assessment instrument measures: Qualifications and Professional Development • Income and Benefits • Work Environment • Fiscal Management • Recordkeeping • Risk Management • Provider-Parent Communication • Community Resources • Marketing and Public Relations • Provider as Employer
